Anti-poaching and community-development program :

In order to support an effective tear-round anti-poaching campaign, as well as for advocating the value of wildlife to the villagers adjacent to and within our hunting blocks, **a fee of 15% of the above trophy fees will be collected** to fund these programs under our direct supervision. We have implemented these programs in all our hunting areas and have found that the results of direct funding for these necessary actions have been extremely beneficial in the overall quality of the hunting experience offered to our clients. These fees are paid at the conclusion of the safari, based on the final trophy fee amounts.

Our hunting area

KOUROUK is located between two National Parcs La Bénoué y Bouba Ndjida, with 146.912 Ha (363.026 Acre hunting surface)
Historical Cameroon's zone with magnificent mountains views and valleys rich in vegetation for Lord Derby Eland. We combine Kourouk with the Mana area 46.000 Ha. (113.668,3 acre) direct limited with Faro Parc. This combination of territories is the best hunt in Cameroon. You and your companions will be one of the most iconic hunts of Africa, superbly equipped with traditional accommodation.

The hunting method

You will be hunting with your dedicated PH and his team of trackers and gun bearers, and will be using hunting with a Toyota SUV equipment vehicle to move in within the area. Our Phs are specialist with a great experience and international prestige.
Usual way to hunt is to walk or drive around looking for a fresh track, and to follow it up on foot until we find the specimen hunted that day. Sometimes the animal can be also spotted and stalked
Safari is tradition and prestige. Sport hunting where wins every trophy.

- International Yellow Cart that certifies that you had vaccination against yellow fever.

Vaccination requirements and medicines

In Cameroun the Fello fever vaccination is obligatory and the preventive for malaria is necessary, you need to contact your doctor or the International health department in your country they will inform you about the vaccination in Cameroun. Also you must take with you your Yellow card Vaccine, the border agents will request to you this document.

Airport assistant

The airport assistant includes: the booking your hotel in Douala, assistant in Doula Airport in the customs, transfer to the Hotel, next day transfer to the domestic flight and in your departure flight the assistant to transfer for the domestic flight to the international flight, please remember you are in Africa and specially in Cameroun, It is normal that people can request money, in your airport assistant is included tips and fee. In case, someone demands any money at your arrival or departure, we beg to not give any money and please inform us because we will do the reclamation to Douala manager.

Rifles and Ammunitions

Cameroon’s law allows importing two rifles per hunter. There is a limit of 50 bullets per rifle/shotgun as ammunition imported per hunter. Depending on the animals to be hunted, we recommend:

The best option is the combination of two rifles: a light one like caliber 270 and a bigger one like a 375 or more. If you are not hunting elephant, one medium/high caliber likes 300 Mag. Or bigger can be useful.

Ammunitions: 40 – soft / 10 - solids.

If you prefers do not take your rifle, we have a wide variety of rifles and the ammunition.

Climate and closing

Kourouk is located in the savanna; the weather is warm and dry during the day but cool nights from December to mid-March, heat increases progressively till the first rain of April's end .We recommend a list of items you should take with you : 2 caps, 3sets of T-shirt (green), 3 sets of pants or shorts, 1 warm jackets, 1 pair of gloves (lace up high top), 3 tee shirts or shirt for the cam, 1 pair for glasses, head net and head lamp or flashlight. Also, Personal medical kit, Anti-malaria pils, Insect repellent and sunlotion you will need.

Don't forget your photo camera and your light-weight pair of binoculars. Remember you have daily laundry service in the camp.

Trophies

This is a very IMPORTANT point when planning a trip in Cameroun. Export your trophies can be very problematic in this part of Africa where weather conditions combined to often poor logistics can have devastating effects on your trophies. We proud ourselves to have this aspect of your safari well covered by offering you a much secured way to export your trophies anywhere in the world. All trophies from Cameroon normally transit first to France where they are shipped all over the world.

Trophy Export includes:

Pretaxidermia as well as export preparation of all trophies.

All requested documens from Camoroun including trophy harvesting cerficates, Cite's permit and veterinary certificate.

Packing, crating and deposit in Garoua Airpot

Not included in Trophy Export costs:

Custom Clearance in France, inspection, storage and shipping cost to final destination. When confirming your safari with us, we will put you in contact with our broker agent so no time will be wasted when forwarding your trophies to your final destination. A full quote will then be sent to you.

Booking the flights

They are several companies that take land in Douala.

- Air France with scale in Paris (recommended because they have daily flights).
- Brussels Airline with scale in Brussels
- Royal Air Maroc with scale in Casablanca.

We recommend to flight to Douala two day before to the domestic flight, to avoid delays with luggage arrival or the flight, normally, the luggage and the flights arrive on time.

Our company is not responsible for any flight cancellation, delays or charter fare changes.

It is important that you buy an open date's flight ticket, it is important to be able to change the ticket in case of delays or in case you need to departure before.

- Your international flight ticket is your responsibility, make sure to give us the right dates of arrival and departure as the itinerary of your safari will be organized upon the information you will provide us with*.
- We suggest you subscribe to a travel / cancelation insurance policy when booking your flight, also covering your personal items against loss and theft, delivery delay.
- We suggest you subscribe to a travel / repatriation medical plan when booking your flight*
- Although we cannot be held responsible for any delays airlines companies may have, such affecting the itinerary of your safari with us, occasionally adding extra expenses to your trip. Although we will do our very best to accommodate you in every way we can, those potential expenses will be to your account.

Related the domestic flight from Douala to Ngaoundere, the company is Camairco.

From Douala to Ngaoundere (Monday and Friday), and it needs to drive about 200 Km to the camp, which means around, 4 hours' drive. Normally, we book this flight.
